Attention of Mr. G. Suozzi

Dear Sir:

You are hereby advised that our bus is down in Virginia at present, and will not be back until May 30th, and we will take the bus and have it weighed on May 31st and will send you the weight slip.

We had the bus weighed last year and at that time it weighed 4 1/2 tons, but we do not have the slip that accompanied it. Due to the fact that you have asked for a slip, we will have it weighed over again and send you the slip. The additional load that it carries is a maximum of 20 men, averaging with their luggage about 190 lbs. each. This is the maximum figure, I will send you the weight and slip as soon as the bus returns.

Very truly yours,
